

OOD instructions for Sprint Series.2018

OOD & OOD assistant write instructions on signing in board.

Medium Fleet three rounds – or shortened to make race of approximately 25 minutes.

Triangle, Sausage Triangle. Port hand rounding. Use Force 4 buoy as windward mark, Orange Buoy as wing mark, and Orange buoy A as leeward mark.

Fast Fleet – three rounds – or shortened to make race of approximately 25-minute.

Three sausages, all marks to port.

Set course and then take Rib with assistant OOD. Take White buoy to make a start line and Windward mark. **Take radio and spare signing on sheets to record races one to three.** There is a digital clock on board. Ensure there are sufficient weights on the bottom of the orange buoys. Take your own pens and pencils.

Take key for Bruce and instructions on how to start it.

Ask 2nd rib to lay wing mark and leeward mark and bring out the signing on sheet.

OOD and assistant OOD, 1stly lay wind ward mark, then collect Bruce and move to position, then lay other end of starting line at port end of line. Always have two people on board Bruce to move it.

Check radio on Bruce - call sign Locks Committee

Set orange flag to show you are a committee boat and start race as per normal with both fleets starting together.

Once underway aim for three rounds in 25 minutes. if required shorten course for one or both fleets using one blast on horn and hoisting Flag S for both fleets or Flag S and class flag for individual fleets.

Once last boat is finished, blast one horn and hoist 1st substitute (postponement). Check Course and timings and adjust as required.

When ready blast one horn and drop 1st sub, then start sequence one minute later.

Once three races are done pack up Bruce as per instructions. Once again move Bruce back to Buoy with two people on board.
